

3 IN 1 SLIDE, ROCKER & BASKETBALL

Instructions

Maintenance:

- Before each use, ascertain that all the fasteners are firmly tightened and all the parts are securely fastened.
- Always wipe the product with a plane, dry cloth regularly and avoid using harsh chemicals.

Caution:

- The product must be assembled by an adult only. Keep all the parts out of the reach of kids until the product is fully assembled.
- Always sit upright and go down feet first on the slide. Climbing up the side, sliding down headfirst or in the standing position can be fatal and should be avoided at all costs. Also, abstain from jumping off the slide seat.
- Always place the product on an even surface. Using it on concrete or a rough surface can make it unsteady and may cause injuries.
- Packaging materials are not safe to play with and should be kept away from kids.
- Adult supervision is recommended when kids are using this product.

Warnings:

- Always assemble on a non-abrasive surface, ideally a carpet, to avoid scratches and make sure there are no sharp objects placed nearby.
- Use the key provided in the packaging to tighten the medium and small nuts.
- Avoid over-tightening the nuts as it may cause damage to the parts.

Required Assembly Parts

Slide x 1

Side Panel x 1

Key x 1

Small Nut x 5

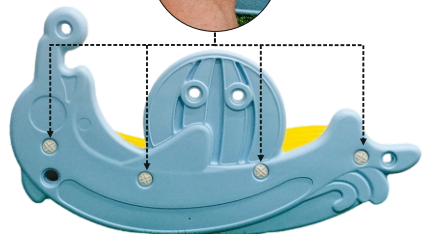

Frog Panel x 1

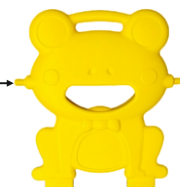

Before starting the assembly, lay out a carpet on the floor to avoid scratches.

Small Nut

Threaded Pin

Small Nut

- Take a side panel and the slide from the packaging. Turn the slide face down and align the four threaded pins on its longer edge with the designated holes on the side panel.
- Push the side panel sideways towards the slide, guiding the threaded pins into the holes.
- Put a small nut onto the end of each threaded pin and tighten the four small nuts one by one, securing both (slide and side panel) together.

Take the frog panel, align the threaded pin on one of its sides with the designated hole on the side panel and secure both the panels together with a small nut.

Note: Before tightening the nut, make sure the tabs at the bottom of the frog panel goes into the rectangular slots on the slide.
