

BASKETBALL RING

Instructions

Maintenance:

- Before each use, make sure that all the parts are securely fastened.
- Always wipe the product with a plane, dry cloth regularly and avoid using harsh chemicals.

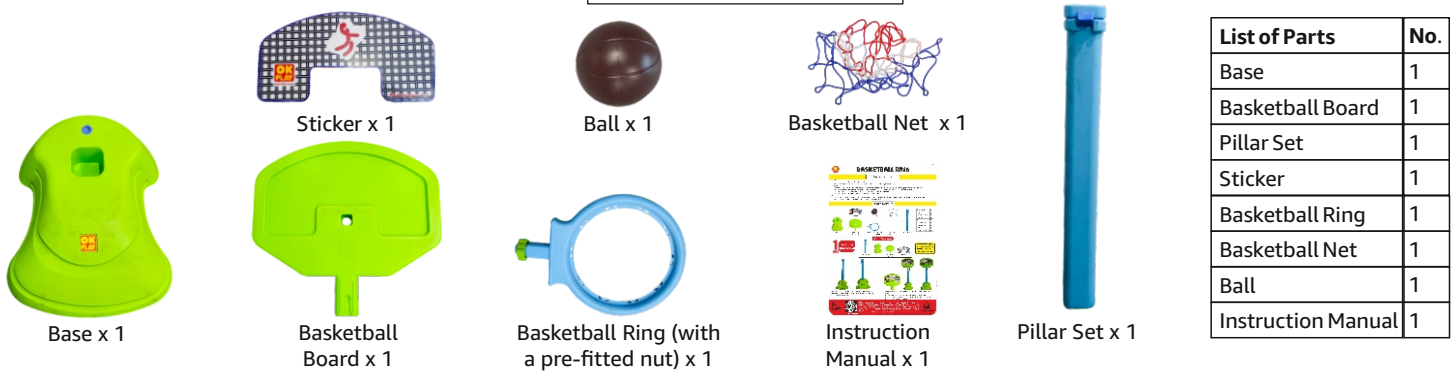

Caution:

- The product must be assembled by an adult only. Keep all the parts out of the reach of kids until the product is fully assembled.
- Always use the product on an even surface. Using it on a rough surface can make it unsteady and may cause injuries.
- Packaging materials are not safe to play with and should be kept away from kids.
- Adult supervision is recommended when kids are using the product.

Warnings:

- Always assemble on a non-abrasive surface, ideally a carpet, to avoid scratches and make sure there are no sharp objects placed nearby.
- Avoid over-tightening the nuts as it may cause damage to the parts.

Part Details

1 Assembly Instructions

Required Assembly Parts

Before starting the assembly, lay out a carpet on the floor to avoid scratches.

Align the bottom of the pillar set with the designated slot at the top of the base and gently push the pillar set downwards into the slot. Once partially inserted, press down firmly on the pillar set to secure it into place.

Note: Make sure the latch side of the pillar set oriented towards the front.

Model No: 1230

3+ YEARS

Scan to Connect

Before starting the assembly, please ensure that the part quantity matches the numbers listed in the manual. If you find any discrepancies in the part count or encounter any product-related issues, feel free to reach out to us at +918221001033 or connect with us via WhatsApp in between 9:30-6PM, Monday to Saturday. We're here to assist you!

2 STEP

Required Assembly Parts

Subassembly (Step 1)

Basketball Board x 1

Sticker x 1

Take the sticker from the packaging and paste it on the basketball board.

Align the bottom of the basketball board with the designated slot at the top of the pillar set (subassembly - step 1) and push the basketball board downwards into the slot, ensuring it fits smoothly.

3 STEP

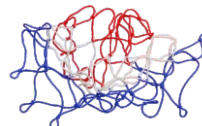

Required Assembly Parts

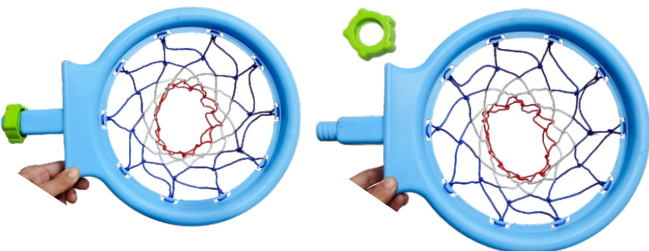

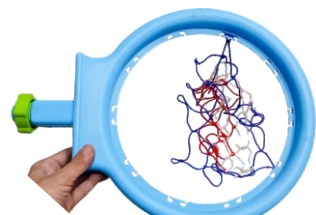

Subassembly (Step 2)

Basketball Ring x 1

Basketball Net x 1

Take the basketball net from the packaging, hold one of its loops with your fingers and wrap it around a pair of hooks of the basketball ring. Move to the next pair of hooks and repeat the process, securing each loop of the net to the basketball ring.

Remove the pre-fitted nut from the basketball ring.

Secure the basketball ring to the basketball board (subassembly - step 2) with the nut you removed earlier.

Height Adjustment Mechanism

The pillar set features two sub-pillars - the outer pillar with two latches (one on the front and one on the back) and the inner pillar featuring multiple pairs of height adjustment slots (each pair consisting of a front slot and a corresponding back slot). To raise the height:

1. Release the latches located on the outer pillar.
2. Gently pull the inner pillar upward to the desired height, ensuring that one pair of height adjustment slots aligns with the latches.
3. Secure the latches into the aligned slots to lock the inner pillar firmly in place.
