

CUTE PUPPY ROCKER COMBO

Instruction

Maintenance & Instructions:

- Check all nuts & bolts for tightness & tighten when required, if any. Please keep this instruction for future reference.
- Check all coverings and bolts for sharp edges and replace them when required, if any.
- Replace when required by the manufacturer's instructions.
- Before each use, please check whether the components are firm and intact. Please wipe with a dry cloth regularly.

Caution:

- Ensure the product is in good condition and all parts are complete before use.
- After adult installation, please make sure all parts are securely assembled before allowing children to use it.
- Do not let children play with broken, damaged, or deformed toys to prevent accidents.
- Keep packaging materials away from children, as they are not toys and may pose a danger.
- This toy is designed for domestic use and is suitable for both indoor and outdoor play.

Warnings:

- This product must be assembled by an adult. Keep all parts and tools away from children until fully assembled.
- The package contains small parts and hardware that pose a choking risk and may have sharp edges or points. Handle with care.
- This product is designed for children aged 18 months and above.
- To prevent serious injury, adult supervision is mandatory at all times. Never leave children unattended during use.
- Ensure children wear shoes while using the product. Limit use to one child at a time, with a maximum weight capacity of 23 kg. Avoid using the slide in areas that are unsafe for pedestrians or near hazards such as swimming pools, steps, roads, hills, or inclines.
- Do not install this equipment over hard surfaces like concrete or asphalt. Place the slide on a stable and appropriate surface, such as grass or a rubber mat.
- Ensure the equipment is on a level surface, at least 7 feet away from structures, walls, pools, power lines, overhangs, other playground equipment, driveways, or roads.
- Do not attach objects like jump ropes, chains, clotheslines, pet leashes, or cables to the slide. These may cause strangulation or other hazards.
- Children must always sit securely in a forward-facing position while riding. Do not allow children to stand, walk, or slide backward or while lying down. Do not permit standing on the Ride on.

Warning: Before using as a Ride On, ensure no nut is fixed between the rear wheels.

1 STEP

RIDE-ON ASSEMBLY

Required Assembly Parts

It is recommended to lay a carpet on the floor to avoid scratches during assembly.

Warning: Before using as a Ride On, ensure no nut is fixed between the rear wheels.

Take Rideon Body Assembly & handle Set. Unscrew the handle set as shown in image.

Put the ears onto both the handles as shown in image. Insert the handles into the designated holes on the body and rotate both the handles simultaneously in the opposite directions to secure them in place.

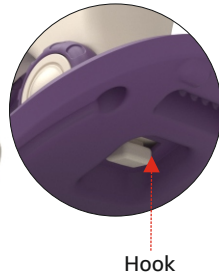

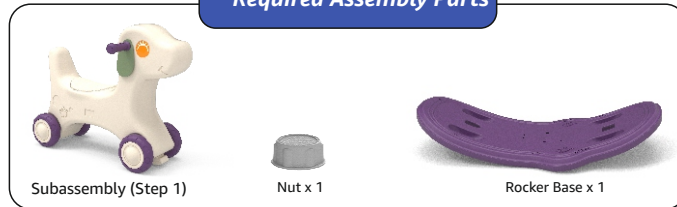

Paste the eye labels on the subassembly at the positions as shown in the image above.

Your Ride On is ready for new adventures!

2 STEP

ROCKER BASE ASSEMBLY

Required Assembly Parts

Hook

Take the ride on subassembly (assembled in step 1), align the hook between the front wheels of the subassembly with the square cut on the rocker base and firmly push the subassembly downward until the hook is fully inserted into the square cut.

Align the thread between the rear wheels of the subassembly with the hole on the rocker base and secure them together with the nut as shown in the image.

Cute Puppy Rocker combo is ready to rock!

This versatile rocker combo is designed for dual functionality, serving as both a ride-on and a rocker. Let your kid choose his preferred way of playing!

Warning: Before using as a Ride On, ensure no nut is fixed between the rear wheels.
