

HUMPTY DUMPTY

Instructions

Maintenance:

- Before each use, ascertain that both the handles are firmly tightened.
- Always wipe the product with a plane, dry cloth regularly and avoid using harsh chemicals.

Caution:

- The product must be assembled by an adult only. Keep all the parts out of the reach of kids until the product is fully assembled.
- For safety, kids should always face forward while riding the product.
- Always place the product on an even surface. Using it on concrete or a rough surface can make it unsteady and may cause injuries.
- Always hold onto the front handles while using the product.
- Packaging materials are not safe to play with and should be kept away from kids.
- Adult supervision is recommended when kids are using this product.

Warnings:

- Always assemble on a non-abrasive surface, ideally a carpet, to avoid scratches and make sure there are no sharp objects placed nearby.
- Avoid over-tightening the handles as it may cause damage to the parts.

Required Assembly Parts

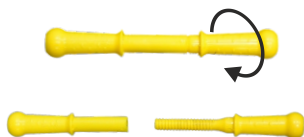

Humpty Dumpty Body x 1

Handle Set x 1

Before starting the assembly, lay out a carpet on the floor to avoid scratches.

Take the handle set from the packaging. Firmly hold one handle and rotate the other one (as indicated in the image above) until the two handles are completely separated from each other.

Insert the threaded end of the handles into their designated slots on the humpty dumpty body assembly as shown in the image and simultaneously rotate both the handles in the opposite directions to secure them in place.
