

PENGUIN SLIDE WITH BASKETBALL

Instructions

Maintenance:

- Before each use, ascertain that all the fasteners are firmly tightened and all the parts are securely fastened.
- Always wipe the product with a plane, dry cloth regularly and avoid using harsh chemicals.

Caution:

- The product must be assembled by an adult only. Keep all the parts out of the reach of kids until the product is fully assembled.
- Always sit upright and go down feet first on the slide. Climbing up the side, sliding down headfirst or in a standing position can be fatal and should be avoided at all costs.
- Abstain from jumping off the slide seat.
- Always place the product on an even surface. Using it on concrete or a rough surface can make it unsteady and may cause injuries.
- Packaging materials are not safe to play with and should be kept away from kids.
- Adult supervision is recommended when kids are using this product.
- The product is intended for use by kids over 2 years of age.

Warnings:

- Always assemble on a non-abrasive surface, ideally a carpet, to avoid scratches and make sure there are no sharp objects placed nearby.
- Avoid over-tightening the fasteners as it may cause damage to the parts.
- Do not connect any external item (rope, cable or chain) to the product.

STEP

Assembly Instructions

Required Assembly Parts

Big Slide

Small Slide

Allen Bolt x 2

Washer x 2

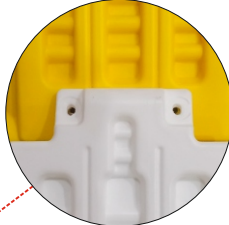

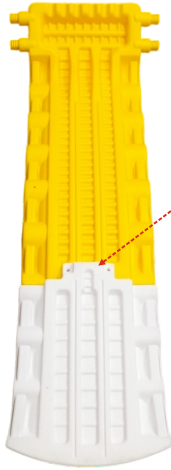

Allen Key x 1

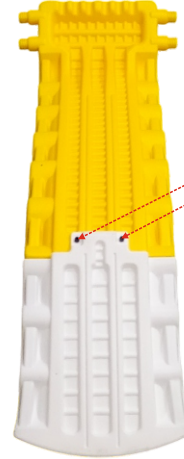

Before starting the assembly, lay out a carpet on the floor to avoid scratches.

Screw Holes

Screw Holes Aligned

Take the big and small slides, turn them face down and align their screw holes. Make sure the screw holes of the small slide are over the screw holes of the big slide.

Put a washer onto both the allen bolts and insert one allen bolt(with the washer) into each of the two aligned screw holes. Tighten both the allen bolts one by one with the allen key, securing both slides together.

Required Assembly Parts

2

STEP

Subassembly (Step 1)

Side Panel x 1

Step x 2

Big Nut x 4

Take a step from the packaging and align the threaded pin on its side with the designated hole on the side panel. Push the step sideways, ensuring the threaded pin slides through the hole and extends out the other side. Place a big nut onto the protruding end of the threaded pin and tighten to secure both the step and side panel together.

Position and secure the slide subassembly (assembled in step 1) to the side panel with two big nuts.

Similarly, fasten the other step to the side panel.

3 STEP

Required Assembly Parts

Subassembly (Step 2)

Side Panel x 1

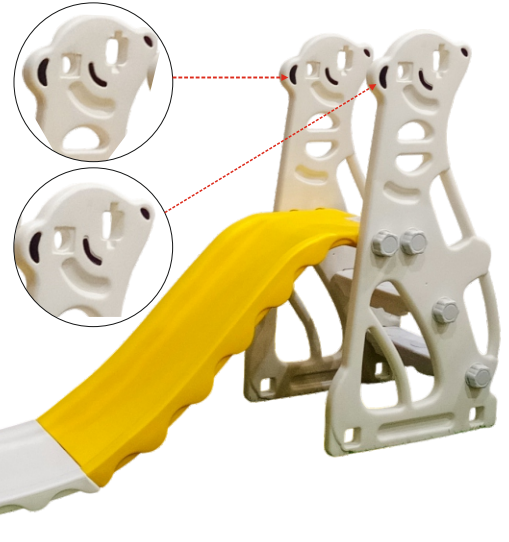

Big Nut x 4

Sticker Set x 1

Take the other side panel from the packaging and fasten it to the subassembly (step 2) with four big nuts.

Paste the stickers on both the side panels at the positions as shown in the images above.

Note: Stickers should be pasted on both sides of each panel.

4 STEP

Subassembly (Step 3)

Basketball Ring x 1

Medium Nut x 1

Key x 1

Take the basketball ring and mount it on the side panel with a medium nut at the position depicted in the images above.

Your Penguin Slide is now ready for safe and joyful play!
