

PONY RIDEON

Instructions

Maintenance:

- Before each use, ascertain that all the fasteners are firmly tightened and all the parts are securely fastened.
- Always wipe the product with a plane, dry cloth regularly and avoid using harsh chemicals.

Caution:

- The product must be assembled by an adult only. Keep all the parts out of the reach of kids until the product is fully assembled.
- For safety, kids should always face forward while riding.
- Always place the product on an even surface. Using it on concrete or a rough surface can make it unsteady and may cause injuries.
- Always hold onto the handles while using the rideon.
- Packaging materials are not safe to play with and should be kept away from kids
- Adult supervision is recommended when kids are using this product.

Warnings:

- Always assemble on a non-abrasive surface to avoid scratches and make sure there are no sharp objects placed nearby.
- Do not connect any external item (chain, rope or cables) to the product.

Before starting the assembly, lay out a carpet on the floor to avoid scratches.

Firmly hold one handle and rotate the other one until the two handles are completely separated from each other.

Insert the threaded end of both the handles into their designated slots on the rideon body assembly. Hold onto the handle with internal threads to keep it stationary and rotate the handle with external threads until its stop ring makes firm and full contact with the rideon body assembly, securing both handles in place.

Paste the eye labels on the rideon assembly at the positions as shown in the image above.

Your Pony Rideon is now ready for use! It's time for everlasting fun!
